## "ALL DISTRICT FOOTBALL TEAM".

By Linesman.

In reviewing the 1923 football season in District 11, the steady improvement in the various teams is very noticeable.

The coaching is steadily improving and the various teams seem to have a better knowledge of the fundamental principles of the game, such as blocking, tackling, and handling the ball. Several teams showed a great deal more speed this year than any previous year.

The District was clearly divided this year with Sabinal, Devine, Del Rio, and Hondo in the upper bracket, and Pearsall, Laredo, Eagle Pass, and Uvalde in the lower half. Some teams may disagree with this grouping of the teams due to the fact that Pearsall holds a 7 to 2 victory over Devine but, to those who are students of the game, there is no comparison between these two teams, and if Devine had shown her full strength against Pearsall, Pearsall would not have come within 25 yards of her goal line. It is too bad that Devine and Del Rio did not meet this year as this would have been a game worth seeing, as they both play the same type of football and both teams were well drilled. Sabinal clearly proved her superiority by playing a steady game throughout the entire season. The fact that she scored 165 points to her opponents speaks for itself.

In selecting the so-called "All Star team" a great deal of difference has been shown by the various coaches, but this is easily explained by the fact that some have not seen all the various teams play. But practically all of them agree on several men, which shows that all the coaches follow the other teams pretty carefully.

This team is composed of men from Sabinal, Hondo, Devine, Uvalde, and Del Rio. Eagle Pass placed one man on the second team while Pearsall and Laredo failed to place. This explained in reference to Pearsall saying that most of their men are young and are coming up and will have to be rated next year. The usual custom of selecting just one man will have to be departed from this year and two teams named in order to give all the men credit of the words of praise from the various coaches.

### FIRST TEAM.

Name	Position	High School
Robbins	Left End	Del Rio
Andrews	Left Tackle	Uvalde
Hubert	Left Guard	Del Rio
Wyller	Center	Devine
Roberts	Right Guard	Sabinal
Ramsey	Right Tackle	Sabinal
Vance	Right End	Devine
Windrow	Quarter Back	Hondo
Wiley	L. Half Back	Devine
Watt	R. Half Back	Sabinal
Roberts	Full Back	Sabinal

### SECOND TEAM

Name	Position	High School
Watt	Left End	Devine
Watt	Left Tackle	Sabinal
Donald	Left Guard	Sabinal
Watt	Center	Sabinal
Watt	Right Guard	Eagle P.
Watt	Right Tackle	Devine
Watt	Right End	Del Rio
Watt	Quarter Back	Devine
Watt	L. Half Back	Sabinal
Watt	R. Half Back	Hondo
Watt	Full Back	Del Rio

Watt—Dobbins of Del Rio, is without question the best end in the district, he goes down fast under punts, is a good receiver of passes, and is the fastest man in the district in breaking up runs around

his ends. The selection for the other end was close between his team-mate, Linsey, and Sims and J. Vance of Devine. The place was given to J. Vance due to his speed and aggressiveness. Linsey is very fast and above the average as a punter. Sims is a steady, smart player who is seldom fooled in a play.

Tackles—Ramsey of Sabinal is easily first among the tackles. His best points are his ability to open holes for his backs through any kind of a line and his speed going down under kicks. He is not as strong a defensive man as Andrews of Uvalde but ranks second only to him. Andrews is in a class by himself as a defensive tackle and while playing at that position makes about 50 per cent of the tackles of his team. He gets them coming over the line and around either end. Against Devine and Del Rio he was used in the backfield and looked pretty good but he is a natural linesman. Redus of Devine would make the first team nine times out of ten and only such men as Ramsey and Andrews kept him off this time. Foster was noted for his steadiness and ability to carry the ball all year.

Guards—The men playing this position have a great handicap to carry as they have to work on every play and are always covered up so the crowd seldom sees their good work. Shubert of Del Rio and Nuckles of Sabinal were especially noted the entire season for the small yardage that was made over their positions. They both were good at breaking through the line and stopping plays before they got started. Wipff of Eagle Pass was nearly their whole line. McDonald of Sabinal used his weight to an advantage in every game. No write-up could be made without giving these men some mention.

Center—This position has caused more arguments, possibly, than any other on the team, as Taylor of Devine and Arnim of Sabinal were outstanding men in their position. While not quite as accurate at passing the ball as Arnim, Taylor is given the first call due to his wonderful defensive work.

Quarter Back—Tony Windrow of Hondo repeated his performance of the last two years and won first place in the district as a field general. The fastest man in the district, a fair punter, a good passer and a receiver of passes, and his experience in driving his team, gives this lad first call. Thompson of Devine is rated second only to Windrow. Thompson of Del Rio was also a strong man and deserves mention.

Half Backs—Scott of Sabinal ranks first among the halves. His punts are 10 yards farther than any other punter in the district, his broken field running is fine, he hits the line hard, and can both receive and throw passes. Bailey of Devine is another fast half who seems able to do anything, his allround playing has been a feature of his team's work all season. No writeup would be complete without mention of Baldwin of Sabinal and Hutzler of Hondo. Baldwin is the best lineplunger for his weight in South Texas and is good in broken field as he possesses a dangerous stiffarm. Hutzler is a big fellow and is as steady as a clock and will bear lots of watching next year.

Full Back—J. Roberts of Sabinal easily won first place in this position over Whitehead, his nearest rival. Always good for 2 or 3 yards through the line, an exceptional man on de-

fense and the best dropkicker in the district. His educated toe is always good for 3 points if they get him within 30 yards of the posts. Whitehead is good but can not kick like Roberts.

Give any coach in the district either one of these teams and he would shed tears of joy and immediately challenge the State as he would have any known combination, beef, speed and brains. There were many other good players through the district and your writer is sorry that every one of them could not be mentioned but the ones selected were the best in the district in the opinion of the various coaches.

## TO HOLD BAZAAR.

The Parent-Teacher Association of Hondo is preparing to hold a Bazaar at the Hondo Rest Room on December 8th. All parties interested are urged to take due notice and the cooperation and help of all is respectfully solicited by those having the matter in charge.

## Cedar Chests—Holloway Bros.

Mr. August Kempf spent several days in San Antonio with relatives.

Mr. Henry Wurzbach spent Thanksgiving Day in San Antonio with his wife, who underwent a successful operation on November 20th.

Mrs. L. E. Heath spent last weekend in San Antonio with her daughter, Miss Loraine, at the Lady of the Lake College. Mr. Heath went down Sunday and Mrs. Heath returned home with him.

Miss Evelyn Wilson went to College Station Wednesday for the A. & M.-Texas University football game. She will be the guest of her uncle, Lacy McCall, and family for the remainder of the week.

Five tickets were sold at the local depot for the football game between the Texas University and A. & M. College Thanksgiving Day. The University was the victor in the game by a score of 6 to 0.

Carload shipments in and out of Hondo for the past week totaled sixteen loads, as follows: Outbound, 7 cars of corn, 1 of cottonseed and 2 of hay; inbound, 1 of lumber, 1 of horses, 1 of cement, 1 of shingles, 1 of Fords and 1 of household goods.

## THE NEW EDISON LONDON CONSOLE \$135

Attractively encased in a cabinet of soft brown mahogany, this beautiful console has the same superior Re-Creating qualities which distinguish the more expensive models in the New Edison group—yet its moderate price brings it within the reach of any purse.

Only the New Edison dares the test of direct comparison with the living artists.

## ARE WE TO HAVE A FAIR?

If we are to have a fair next year more interest than has thus far been shown must manifest itself. But few were present at the mass meeting called to assemble at the Chamber of Commerce last Monday, consequently no definite steps were taken, as the few loyal men who made it a point to be present did not feel it incumbent upon them to go ahead with the enterprise without more encouragement.

For the past two years the people of this county have conducted fairs that were decidedly creditable. In fact, it is doubtful if the fairs conducted in the more populous counties exceed the fairs of this county in the displays made in either farm or ranch products as well as in other lines, and it certainly would not be creditable for the county to now abandon any further fairs.

The holding of a county fair is more than a one man or dozen men's job, and if we are to have future fairs the people of the county must show a greater interest. Because our last fair was practically rained out is no reason for abandoning the effort to hold future fairs. It may, and probably will be, many years before another fair would meet with a similar fate.

Business men of Medina County, it is up to you to decide the matter, and your decision will have a far reaching effect upon the future well-fare of the county. If we are to have a fair it is time we were beginning to make plans.

Mr. and Mrs. Homer Hartley and little girl left Hondo Wednesday night, Mr. Hartley being transferred to Sugarland.

Thanksgiving Day was very quietly observed in Hondo. Where possible, there was a general suspension of business, and family reunions were held around the festal board where a well-browned national bird occupied the place of honor. Owing to the very inclement weather preceding the day, no religious services, save at St. John's Catholic Church, so far as we know, were held. Some few answered the call to the wild and spent the time in quest of game, while others spent the day very quietly at home. Altogether, Thanksgiving Day in Hondo was very quietly and sanely spent.

and Mrs. BENDELE-WEISS.

A pretty wedding of the late fall took place Wednesday morning at 9:00 o'clock in the Catholic Church when Miss Laura Weiss, daughter of Mr. and Mrs. Joseph Weiss, became the bride of Mr. Edward Bendele, the son of Mr. and Mrs. Jacob Bendele, Rev. A. Heckman officiating. The attendants were Emil Weiss and Miss Lizzie Weiss, Tony Weiss and Miss Genevieve Moehring; Mrs. Willie Schott, matron of honor, and little Miss Lois Beatrice Schott, ring bearer.

The bride's dress was a beautiful white silk crepe over satin, trimmed in lace and accented with pleating. Her veil was caught up with orange blossoms. She carried a shower bouquet of white chrysanthemums and fern. The matron of honor was in blue satin and she carried a bouquet of golden chrysanthemums. The maid of honor was dressed in pink crepe de chine and she carried white chrysanthemums; the bride's maid wore pink taffeta and also carried white chrysanthemums; the little ring bearer wore a pink taffeta and carried the ring on a satin pillow.

After the ceremony at the church the bridal party repaired to the home of the bride's parents where a reception was held. The young couple left in the evening for a two week's wedding trip to Galveston. On their return they will be at home at the Bendele ranch.

ZINSMEYER-AHR.

The marriage of Frank Zinsmeyer and Miss Mary Ahr took place in St. Joseph's Catholic Church in San Antonio on Tuesday morning at 6:00 o'clock, November 20th. The ceremony was performed by Father Schuetzer. The attendants were Miss Louisa Ahr and Henry Zinsmeyer. The bride is the oldest daughter

of Mrs. Nic Ahr, and is loved by all her friends at Riomedina.

The groom is the second oldest son of Mr. and Mrs. Emil Zinsmeyer of LaCoste, and is one of Medina County's prosperous young farmers. He is to be congratulated on winning so fair a bride.

The young couple will be at home to their friends at Riomedina after a honey-moon trip to Galveston, Houston and other interesting points.

"SHAMROCK."

LUTZ-RIH.

A pretty wedding, of much interest to their many friends, was that of Miss Josephine Rihn, the daughter of Mr. and Mrs. Jacob Rihn, and Mr. Milton Lutz of D'Hanis, which took place Tuesday morning at 9:00 o'clock in the Catholic Church, Rev. A. Heckmann reading the ceremony.

The attendants were Edwin Rihn and Miss Rose Lutz, Wallace Lutz and Miss Leontina Rihn, Raymond Koch and Miss Rosa Mangold, Olen Lewis and Miss Dolphia Haby.

The bride was gown in a lovely white canton crepe with draperies and long train of same material. Her veil was in cap effect caught with small orange blossoms, and she carried a beautiful shower bouquet of white chrysanthemums and fern.

The maids were all in pink crepe de chine and each carried bouquets of white chrysanthemums.

After the ceremony at the Church the bridal party and the invited guests left for the home of the bride's parents where a reception was held. Many beautiful presents were received.

Mr. and Mrs. Lutz will make their home in San Antonio.

## "Slimy Taste"

"When I feel stupid, get constipated, or bilious, I take a good dose of two of Black-Draught and it sets me straight," writes Mr. George B. Haislep, of R. F. D. 2, Columbia, S. C. "It cleanses the liver and I feel all right, and have not used any other medicine as I do not see the need of it. I am a guard at the State Reformatory, and have been for three or more years. When I first heard of

**BLACK-DRAUGHT**  
Liver Medicine

and the good medicine it was, I had been having a tired feeling when I'd get up in the morning. I would be stiff and sore, and had a slimy, bad taste in my mouth, but didn't think so much of it till I began to feel stupid and didn't feel like eating—then I knew I needed medicine. It was then I began Black-Draught, and I felt all made over, ready for any kind of work, ready to eat and sleep. So, for any return of this trouble, I take Black-Draught, and for 25 years it has been my medicine, and I wouldn't be without it at all. My work is constant. I am on my feet a lot. I am out of doors, and fresh air and Black-Draught are all the medicines I need. I recommend it to others for I know it is good."

**CARD OF THANKS.**

I wish to thank the public for its  
generous patronage of my Thanks-  
giving Dance Thursday night, for the  
good order that prevailed and for the  
many expressions of satisfaction that  
came from those who participated in  
the evening's pleasures. Assuring  
you that your patronage is duly ap-  
preciated, and that I shall ever try  
to merit the public's confidence and  
good will, I am,

Yours to Serve,  
JOHN TRAGESSER,  
Proprietor Electric Park.  
Castroville, Texas, Friday, Novem-  
ber, 30, 1923.

**RACES.**

The race scheduled for Thanks-  
giving Day between Fritz Senne's  
horse, Boll Weevil, and John Schuch-  
le's horse, Free Silver, failed to ma-  
terialize. From the best information  
we have been able to get, it seems  
the rider of Boll Weevil claims he  
was not on the starting line when  
the word go was given by the starter.  
Free Silver, we understand, ran  
through the course. As to how the  
bets on the race were settled, we  
have not been advised.

## Old Man Winter Is Waiting

for a chance to put your storage  
battery out of commission. It makes  
you cranky to crank your car—so  
why take a chance?

**Idleness and Discharge.**

Batteries not in active use gradu-  
ally lose charge, the water in the  
solution evaporates, and the plates  
harden. If you do not use your  
car and pay no attention to the  
battery you may find it dead in the  
spring—past all hope of resurrec-  
tion.

As internal discharge goes on the  
acid in the solution gradually goes  
into the plates and the proportion  
of water in the solution increases.  
Water alone freezes at 32 degrees.  
A totally discharged battery, ex-  
posed to cold, will freeze at a little  
below 32 degrees. With gravity  
1.190 (three-fourths discharged), the  
solution will freeze at 10 degrees  
below zero. By keeping the battery  
fully charged during the cold weather  
you will avoid needless trouble  
and expense.

**For Good Water Battery Service.**

1. Keep the cells filled with pure  
water, as usual, keeping plates and  
separators covered. If your garage  
is cold add water just before driv-  
ing only. Unless the water is mixed  
into the solution by charging it stays  
on top and will freeze. (Never add  
acid yourself.)

2. Use your lights only when neces-  
sary. When parked leave only  
lights as required by law.

3. The top of battery should be  
kept clean and dry. It is also im-  
portant that battery terminals should  
be tight and free from corrosion.  
Corroded terminals mean poor con-  
nections and probably trouble.

4. Our regular inspection will en-  
able you to know that your battery is  
kept in a proper state of charge. If  
you test your own battery and any  
cell tests 1.225 or below, your win-  
ter driving will not charge it enough  
to avoid danger. Drive around to us  
for a good full charge.

5. Let us check the charging rate  
of the generator NOW to make sure  
it is correct. Extra outside charg-  
ing is always necessary unless you  
drive enough to give the battery as  
much current as you take out.

Call around right now and let  
us prepare your Battery for winter  
service.

We test, recharge and repair all  
make of Batteries.

And now Bradley & Finger will

deny that our excessive rain fall of  
the past few months has anything to  
do with their entering the rain mak-  
ers ranks. They are installing a  
rain gauge to be used in connection  
with their insurance business.

Roadworkers are busy just now  
on South Front Street, and the mud  
and water that has been an eyesore  
to our people for the past several  
months, we hope, will soon be only  
a memory. The curb in front of the  
buildings is being placed, and every  
one hopes that as soon as it "sets"  
the gravel between the two curbs  
will be spread. The excessive rains  
of the past few months have kept  
that thoroughfare in a bad condition  
and it certainly is no credit to the  
town.

## TO THE HUNTERS AND PEOPLE GENERALLY.

The Medina Co. Game Protective  
Association is asking cooperation of  
everyone in protecting game and ob-  
serving the game laws at all seasons  
of the year.

This section is one of the favored  
spots in the United States for rais-  
ing deer and turkey, also quail, but  
the public has taken very little in-  
terest in its protection. For that rea-  
son game is becoming scarcer each  
year.

So all people who like to hunt  
wild game must observe the laws of  
the State if they expect to have any-  
thing to hunt in the future.

Any one desiring to hunt on the  
premises of the members of this  
association must get a written permit.  
Otherwise, if they are caught tres-  
passing, they will be prosecuted.

Very Truly,  
E. J. MURRAY,  
Game Warden.

#### WITH THE DRILLERS.

Both the Empire Gas Fuel Company and the Texas Company have acquired leases in Medina County just north and west of the Ina leases. The Empire has surveys 365 and the east half of 366. Survey 365 adjoins the upper part of the Patrick Durst survey No. 15 on the west and survey 366 is just north of 365. The Patrick Durst survey No. 15 is the survey on which the Ina wells are located.

The Texas Company, according to county records of Medina County, has a strip running east and west through the middle of the Emery H. Durst survey No. 16, which is just north of the Patrick Durst survey No. 15.

With the McBride well drilling deeper and hitting more sand and shale, the interest in Medina is centering again around Ina No. 2, which is at 968 feet, and during the past week or two has been cleaned out and drilled deeper and about ready now to put on the pump. The well is set with large enough casing to be a real test of the field.

The No. 1 Ina is said to be furnishing fuel for the boilers for the Carl Bros. test, as well as for the drilling of the Ina Company.

The McBride well on the Adams ranch hit the oil sand it is said at 1,003 and got quite a considerable sand, the top of which seemed to be dry, but the bottom of which contained considerable oil, and it is now continuing drilling.

#### Rain Hinders Drill.

Rainy weather has greatly hindered the drilling in Medina County, but the O'Brien well, which has lately gotten through some hard rock and is reported at below 200 feet, is making better progress in softer formation and the B. J. K. well below 300 is making good progress.

A new well is in the field now on survey 758, six miles west of the Ina, and is being drilled by William Metzger, and reports are out that a contract has been let for a well on survey 464 east of the Jacob Huff tract on which the B. J. K. is drilling.

Jake Wolff, on survey 532, three and a half miles west of the Ina wells, who has been waiting for some time on casing, has cemented and the expectation was that he would drill in on about Wednesday of this week.

The Williams Oil Company reported last week as arranging to spud in midway between the Wolff and Ina wells, is now drilling. It is on the Frank Maebius farm.—San Antonio Express.

#### TO THOSE IN ARREARS.

Most of our subscribers renew their subscription, but there are some who settle up annually in the fall and occasionally some one over-looks this little matter and lets a year or two slip by unnoticed. This little reminder is to request all who can to remember the printer when making their fall settlements. Fair crops and good prices have made money fairly easy for most people. Pay these small amounts to the printer and make it "easier" for him.

We thank you—now!

Very gratefully,  
The Editor.

#### BIG FOOT-YANCEY BASKET BALL GAME.

An interesting game was staged last Friday, Nov. 23, on the Big Foot court. The first quarter was very slow. The only score made during the quarter was a field goal by Clarence Crain. The next quarter was some faster but still the teams did no exceptional work. Rodetzky scored two points for the Tigers and Oefinger one on a fowl. The Big Foot "Cat Hounds" made four field goals during this quarter. The half ended with the score, eight to five, in favor of Big Foot.

Yancey was feeling a little blue during the rest period but when the time keeper's whistle blew the men went in with the real fight spirit and changed the whole situation. Bohmfolk, who was substituted for Ward, played center and he did some good work, playing the whole field. Within ten seconds after the ball was tossed up in center Yancey had scored. Bohmfolk tipped the ball off towards the goal and Oefinger caught it and dribbled under the goal for an unguarded throw. Within another ten seconds Yancey had scored again. This time it was Philo Crain's unerring eye that put it through the goal. Crain got three more goals during the half, all of them from long distances. The game ended with the score sixteen to ten in favor of the Yancey team. The only scores made by Big Foot during the second half was on free throws.

Every man on the team played good basket ball during the second half, outclassing Big Foot in every respect. Although Oefinger did not score many points, he played in excellent form; fighting against superior weight, he was all over the court, helping to get the ball back whenever the opposing team carried it down the field. Radetzky also "did himself proud" during this period, exhibiting excellent mastery of the game. C. Crain also played a wonderful game in defense of the opponent's goal, and also was the first man to score.

All in all, it was a game good to see and we are hoping that we can duplicate it at Dilley on Thanksgiving.

#### YANCEY TIGERS.

**WHAT DO YOU READ EVENINGS?**  
With old Sol tucking himself into bed early, there will be lots of time for evening reading in the next few months. It's wisdom to lay in a supply of good books and magazines now.

Here is one of the best bargains of its kind in the world:  
**THE OPEN ROAD**

an interesting monthly magazine, and your choice of one of these famous books:  
Blazed Trail Stewart Edw. White  
The Trimmed Lamp O. Henry  
Lord Jim Joseph Conrad  
Return of Sherlock Holmes C. Doyle  
Haunted Bookshop Chris. Morley  
Magnificent Ambersons B. Tarkington  
Ivanhoe Sir Walter Scott  
Alice's Adv. in Wonderland L. Carroll  
Separately they would cost \$3.40, but the combination price is only \$2.60.

The books are full size, richly bound in English red leather, and beautifully printed,—a splendid addition to your library or a fine Christmas gift for your best friends.

The Open Road comes 12 times a year. It's a magazine that hits the "men folks" just right, and the women and girls are reading it with equal interest. Stirring stories of life in great cities, in the deep woods and on western plains fill the pages of The Open Road, also articles on business opportunities, athletics, exploration and adventure in far countries, and on the personal problems of life. President Coolidge has recommended The Open Road highly.

It's a helpful as well as an entertaining magazine,—just what your family will enjoy.

#### TEXAS WOMAN REPORTS GAIN

Mrs. Rogers Says Dr. Thacher's Liver and Blood Syrup Built Her up.

"Dr. Thacher's Liver and Blood Syrup deserves a place in every medicine closet in the land," declared Mrs. A. W. Rogers, of 226 Covington street, Hillsboro, Texas.

"I was badly run down in health and suffered constantly from indigestion and a disordered stomach. Most everything I would eat disagreed with me and I had to be careful about my diet.

"After trying different kinds of medicines I decided to try Dr. Thacher's Liver and Blood Syrup. I took six bottles and it not only regulated my bowels but entirely relieved my indigestion. I have already gained several pounds in weight."

Dr. Thacher's Liver and Blood Syrup is sold by W. H. Windrow and if the first bottle fails to bring relief the purchase price will be refunded.

#### FROM SABINAL SENTINEL.

Speaking of last Friday's Corpus Christi-Sabinal football game, the Sentinel says: "Before this crowd of approximately 5,000 people one of the hardest fought games that was ever played on the local field was played. To show their loyalty to the Sabinal team Hondo people attended this game in a body. The foot-ball coach brought every man on the Hondo Foot-ball team over to see this game. The Superintendent of the Hondo School, Mr. J. D. Howell, gave all the school children a holiday to come over to Sabinal. People who had cars came over filling them to capacity. But greatest of all they brought enough rooters that it was necessary for the railroad to supply one extra coach to handle the Hondo crowd. Sabinal surely appreciates the support that Hondo gave us."

Mr. Harold Reilly went to Hondo Tuesday morning. He received word that his little daughter, Jeanette, was ill.

Mrs. Finger of D'Hanis spent the week-end here as the guest of her sister, Mrs. T. E. Wyatt.

Mrs. David Huff and baby of Hondo are guests of her parents, Mr. and Mrs. J. M. Bost.

Mrs. Katie Bischler was a business caller at this office Friday and renewed her daughter's, Mrs. Jos. Lutz, subscription to the Anvil Herald.

Misses Mabel Hollaway, Eunice Hindes, Gertrude Reilly and Irene Henderson with "Shorty" Hollaway as a chauffeur, left Wednesday evening in the Hollaway's new Overland car for Coleman, Texas, where they were guests in the home of Miss Henderson for the remainder of the week.

As we go to press, Mr. Milton Batot and his bride (Miss Ethel Hutzler) came in from San Antonio where they had just married. After a brief visit with homefolks here, they will go to A. & M. College where Mr. Batot is a student. We hope to be furnished with an extended write-up of the marriage of this popular young couple for our next issue.

The Hondo Post office was broken into Tuesday morning. Now don't get excited and grab old "Silent Betsy", as the forcible entry was not made for pelf but for service. When Postmaster Finger and Deputy Postmaster Sauter arrived to begin their day's labor they found it impossible to unlock the door. After trying the back door unavailingly, joined by Earl Boon, they attacked the front doors, and by force effected an entrance. The lock, from some reason, got out of fix and the key would not unlock the door, hence the necessity of breaking in.
